**Q2 FY 06 Data Call Training**

**January 24, 2006**

**February 8, 2006**

---

- Anticipated Outcomes
- Background
- Goals and Objectives
- Timeline
- Key Concepts
- Data Call Instrument Training
- Tips
- Q&A

Participants will:

- Grasp the key factors driving the Q2 FY 06 data call;
- Be well informed of the data call schedule and important due dates;
- Gain a clear understanding of what compliance assistance is as well as the resource types Business Gateway is required to collect;
- Understand the scope of the data call;
- Become better acquainted with the Data Collection Instrument; and
- Learn tips to help complete the data call.

- All of the compliance assistance resources collected through this data call (submitted URLs) will be available to businesses through Business.gov.
- **Business.gov** will allow businesses a single point of access to compliance information and Federal forms necessary for meeting federal statutory or regulatory requirements. Business.gov will be re-launched in September 2006 as a portal with a focus on federal government compliance for small and medium sized businesses.
- **The Small Business Paperwork Relief Act (SBPRA) of 2002** requires the Office of Management and Budget (OMB) to publish on the Internet a list of the compliance assistance resources (including a single point of contact) available at federal agencies for small businesses. For more information see <http://www.whitehouse.gov/omb/inforeg/infocoll.html>.
- Business Gateway will leverage this data call to provide OMB with the data they need to meet the requirements of SBPRA.

- **Goal:** *Provide businesses with a single point of access to compliance information and forms necessary to meet Federal statutory and regulatory requirements.*
- **Objectives:**
  - Collect web location for each agency's compliance assistance material
  - Capture descriptive data (metadata) about each submittal to improve search capabilities of Business.gov
  - Collect accurate and reliable data in an efficient manner
  - Complete data call by March 31, 2006

- Training Session 1 January 24
- Interim Data Call Submission Due to BG February 1
- Feedback on sample data sent to Advisory Group February 6
- Training Session 2 February 8
- Agency Q2 2006 Data Call due to BG March 31

**Topic Directory:** A business-friendly categorization of government resources to improve the search capabilities of Business.gov.

**Choosing Topics:** From the drop-down menu, select the topic/sub-topic(s) that best characterize how small businesses would describe the resource.

## Topic Examples

Level 1	Level 2	Level 3
Environment	Air Pollution	Air Permits
		Acid Rain
Food Production	Fisheries	
Transportation	Safety & Health	Recalls
		Railroads

- **Business Sectors:** A standard means to classify compliance assistance resources in accordance with the North American Industry Classification System (NAICS) codes to improve the search capabilities of the Business.gov web site.

Level 1	Captures the largest business sector as represented by the first two numbers of the NAICS code (e.g., 23 - Construction)
Level 2	Captures the sub-sector as represented by the third number of the NAICS code (e.g., 236 - Construction of Buildings)
Level 3	Captures the industry group represented by the 4th number of the NAICS code (e.g., 2362 - Non-Residential Building Construction)

**Note:** For information on the relationship between SIC codes and NAICS codes, see <http://www.census.gov/epcd/www/naicstab.htm>.

## Business Sector Examples

Level 1	Level 2	Level 3
31 - Manufacturing	311 – Food Manufacturing	3111 – Animal Food Manufacturing
		3112 – Grain and Oilseed Milling
23 - Construction	236 – Construction of Buildings	2361 – Residential Building Construction
48 – Transportation and Warehousing	481 – Air Transportation	4811 – Scheduled Air Transportation
		4812 – Nonscheduled Air Transportation

- **Choosing Business Sectors:** Place your URLs in the Sector/Sub-sectors(s) that best describe which industry sub-sectors this resource (URL) applies to.

4	Business Sector Level 3 ( * )	The level 3 business sector field captures the industry group represented by the 4th number of the NAICS code (e.g., 2362 - Non-Residential Building Construction). From the drop-down menu, select the appropriate NAICS Code(s) and industry group(s) pertaining to the compliance assistance resource.

- ( \* ) = Required Fields
- In Business Gateway's experience, clicking on "View" and then "Source" for many government URLs displays only a title. That is, in most cases neither a description nor keywords are provided. However, if a description or keywords are provided, they have likely been approved by the agency, and would be valuable for BG to have.

- The Data Call Instrument contains macros (simple computer programs). Since macros may create a security alert for your version of MS Excel, please follow the procedure outlined below:
  - **Open** MS Excel
  - From the Menu Bar, choose **Tools**
  - Choose the **Macro** label ( you may have to expand the drop-down )
  - Choose **Security** on the expanded panel
  - On the Security pop-up window, **Security Level** tab, choose **Medium**
  - Click **OK**
  - You can now open the Data Call Instrument (BG [Agency Name]Q2Data Call-NS.xls)
  - When MS Excel opens, it may display an alert. Select the “**Enable Macros**” button, and the program will start.
- **IMPORTANT:** When you are completely finished with this project, we suggest you reset EXCEL to your previous macro setting. Re-trace the steps outlined above, and chose **High** on the Security level tab.

- Enter the contact information for the Primary and Secondary Points of Contact, and click “Continue.”

Edit a misspelled URL

Delete a URL

- Type the web address or copy a URL from the Internet and press “Ctrl-V” to paste it into the box (pasting by right clicking does not work here). Click “OK” when finished.
- For each new resource added, complete all of the required data elements on the URL, URL Topics, and Business Sectors Screens.
- Once you have added all of your business compliance assistance resources, click “Save” and return to the sending instructions to complete your Agency’s Data Call Response.

- If you did not participate in the Q4 FY05 BG data call, begin your search for compliance assistance resources and your agency POC at:  
<http://www.whitehouse.gov/omb/infoereg/infocoll.html>
- Find compliance assistance resources on agency websites by contacting webmasters, librarians, policy and compliance assistance offices
- Type the following terms into your agency's search engine:  
'Compliance Assistance' and agency specific terms like 'Air', 'Water', 'Motor Vehicles'
- When submitting portal pages:
  - If possible, assign several different topic/sub-topic combinations to the URL (see URL Topics Screen)
  - Include all keywords associated with ALL of the compliance resources contained on the portal page
  - Do *NOT* submit the individual resources listed on the portal page

- Post the materials we provide around the computer for easy access:
  - BG Q2 FY06 Data Call GENERAL INSTRUCTIONS.pdf
  - BG Q2 FY06 Data Call DATA DICTIONARY.xls
- If you will be copying URLs from or referring to another MS Excel spreadsheet while using the data call instrument, open the data call instrument first to avoid locking yourself out of the other file.
- Allow plenty of time to complete the data call (start now)
- Save your work frequently
- E-mail or Call us if you get stuck
